MINIMUM ADVERTISED PRICING POLICY / AGREEMENT

Effective April 1, 2018, a Minimum Advertised Price (MAP) on all Tripar International Inc. products will be in effect. International accounts must reflect pricing as translated into their local currency.

Tripar has been building a brand of strong recognition and value since 1968. We recognize that our success is tied to the success of our network of select authorized dealers. We also know that many of our dealers invest significant time and resources to deliver an extraordinary customer experience. We want to protect their ability to do so, while at the same time discouraging price-based advertising that would be detrimental to our dealer's service and support efforts. By not adhering to the established Minimum Advertised Price (MAP) a reseller can have a dramatic effect of diminishing or detracting from the perceived value of the Tripar brand and its products.

Our MAP pricing policy is intended for consumers to purchase from other resellers based on loyalty and customer care expectations. Therefore, if Tripar approves your company to sell its products, you will need to agree and abide by the following requirements and restrictions.

The MAP policy shall work under the following guidelines:

- 1) The Minimum Advertised Price for any Tripar product shall not be less than the MAP pricing as published on the Tripar price sheet. MAP pricing is established by Tripar and may be adjusted by Tripar at its sole discretion.
- 2) The MAP policy applies to all advertisements of Tripar products in any and all media, including, but not limited to, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, television, radio, and public signage, as well as internet sites, social media sites, apps, or any other electronic media.
- 3) The MAP policy is not applicable to: 1) Any in-store advertising that is displayed only in the store and not distributed to any customer(s) outside of their store. 2) Any email newsletters sent to your customer database.
- 4) MAP does not establish maximum advertised prices. All dealers and sales representatives may offer Tripar products at any price in excess of the MAP.
- 5) Tripar's MAP policy does not in any way limit the ability of any dealer to advertise that "they have the lowest prices" or, they "will meet or beat any competitors price", that consumers should "call for a price" or phrases of similar import as long as the price advertised or listed for the products is not less than MAP.
- 6) Dealer agrees to hold all trademarks and copyrights of Tripar as the property of Tripar and use advertising materials provided by Tripar in an authorized manner only.
- 7) Intentional or repeated failure to abide by this policy will result in termination of dealership or sales representatives.
- 8) Tripar reserves the right to make exception to customers pricing or products without notification.

MAP AGREEMENT CONFIRMATION

This MAP policy has been established by Tripar to help ensure the legacy of Tripar as a leader in visual display and decorative accessories and to protect the reputation of its name and products. The MAP policy is also designed to ensure dealers and sales representatives have the incentive to invest resources into services for Tripar customers.

Please confirm your understanding of this policy and your willingness to abide by its terms and conditions and have acknowledged your agreement on **Tripar's Account Application Form**.
